The amendment received 11 May 2009 has been made of record. Claims 68, 7—75, 78, 79, 81, 82, 84, 85, 87, 88 and 92-132 are pending.

The rejections under 35 USC 112 contained in the previous office action are withdrawn in view of applicants' arguments and amendments.

The rejection under 35 USC 102 contained in the previous office action are withdrawn in view of applicants' amendments.

Claims 68, 70-75, 79, 81, 82, 85, 88 and 115-132 are rejected under 35 U.S.C. 103(a) as being unpatentable over Schallenberg in view of Landry and Gareiss et al.

This rejection is maintained substantially as set forth in the previous office action.

Applicants' have argued that their compositions are patentably distinct from those of the reference due to their claimed sources of the recycled plastics. This argument is not persuasive. There is no inherent limitation in applicants' claimed sources that require any particular polymer makeup.

Applicants' have argued that the compositions of Schallenberg fail to meet the limitation to 80-99 parts primary polymer. The examiner disagrees. Applicants' attention is directed to claims 3, 8 and 26 wherein the limitations clearly encompass applicants' claimed proportions and polymer types.

Claims 78, 84, 87 and 92-114 are objected to as being dependent upon a rejected base claim, but would be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims.

THIS ACTION IS MADE FINAL. Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Edward J. Cain whose telephone number is (571) 272-1118. The examiner can normally be reached on M-F, 10:00-6:30.
